

May 02, 2011

We appreciate your business, your loyalty, and your support. We are delighted to have raving fans. For those reasons, we make every effort to keep overall costs of products low while being the best in the world.

Due to the increase in material costs and extensive material improvements, Kimray will implement a price increase effective July 1, 2011. You are probably aware that we have not announced a price increase since July of 2008. The overall price increase is 6%, which would be about 2% per year over that period. The prices have not increased in parts and repair kits, which means the cost of ownership has not increased.

If you would like a copy of the New Price List Effective July 1, 2011, please contact our Sales Department or download it from the link provided at the bottom of this News Article.

Kimray Inc. will accept orders for delivery before July 1, 2011, at the current price. If Kimray cannot deliver your order dated before July 1, 2011, we will schedule production and ship at the 2010 price.

Blanket orders will be priced at time of shipment.

We appreciate your business and thank you for your continued support.

Regards,

David Hill
